MORE FUN THAN A BARREL OF ABU'S.

An incredible magic carpet ride awaits on your Super NES. It's all the characters, music, and action of *Disney's Aladdin*, in one exciting Capcom game. Join Aladdin as he runs, jumps and climbs through the marketplace, over roof tops,

and under caverns, dodging Jafar and his palace guards all the way. He's counting on you to help him get his wish and win the heart of Princess Jasmine. So take off for Agrabah today.

CAPCOM®

Aladdin is trapped in the Cave of Wonders after Abu upsets the sacred jewel.

When the palace guards' arrows fly, Aladdin takes the bread and runs.

After rescuing Princess Jasmine, Aladdin takes her on a magic carpet ride above Agrabah.

EDITOR'S NOTEBOOK

Dear Archie Readers,

It's almost time for another Comic Book Convention. The "NEW YORK COMIC BOOK SPECTACULAR!" presented by Great Eastern Conventions, will take place February 11-13, 1994 at the Jacob Javits Convention Center, West 34th Street and 11th Avenue, New York City. This is a great opportunity to meet some of your favorite Archie artists, writers and editors. Dan DeCarlo, Stan Goldberg, Dan Parent, Bill Golliher, Paul Castiglia and myself are all planning to be there and are looking forward to meeting you.

A comic book convention is a great place to talk with Archie fans of all ages. We discuss stories, artwork, special projects and upcoming events. In other words, you get the "inside scoop". So if you live or are visiting in the New York City area, stop by the "NEW YORK COMIC BOOK SPECTACULAR" and say "Hello".

Speaking of "inside scoop", here are some tid-bits of information that might interest you:

Due to the overwhelming response to our first JOSIE & THE PUSSYCATS special in August, we've put together another great collection of Josie stories...and we call it JOSIE & THE PUSSYCATS #2. Pretty original, eh? Anyway, this book will be on sale in February. It's 48 pages and comes with a FREE PULL-OUT POSTER.

Also on sale in February is WORLD OF ARCHIE #8. The Winter Olympics was an inspiration for this issue as Archie vs. Reggie in "Even When you Win you Luge" or "When the Sledding gets Tough, the Sled goes Nowhere".

That's all for now. See ya next month!

Konami just took your favorite shows off TV.

It's time for a change of scenery as Konami takes the TV style adventures of The Turtles, the Tiny Toon Adventures characters and *Batman: The Animated Series* to Game Boy With no commercials!

Teenage Mutant Ninja Turtles III™—Radical Rescue™ pits the sewer crew against Cyber Shredder, a heinous, hulking cyborg. But first Mike must use a Fortress Map of Shredder's hideout to find the rest of the captured fab four. Luckily, each Turtle has a new special skill for surviving the action. Locate ID cards, keys and power ups in 5 rescue adventures crammed with creeps like Dirtbag, Scratch and Scale Tail.

Batman™—The Animated Series is 5 original game episodes of sizzling crime fighting action, each capturing the gritty, urban heroics of the hit TV series. Strategically use *Batman's* grappling hook and *Robin's* ceiling grip to survive the onslaught and escape certain doom. In episodes like "The Green Menace" and "The Chill of a Lifetime" you'll suffer the sting of *Catwoman's* claw, the icy burn of *Mr. Freeze's* frost gun, and *The Joker's* sick sense of humor. Sinister fiends like *The Penguin*, *The Riddler* and other *Gotham City* goons are also out to make this the *Dark Knight's* darkest day.

Tiny Toon Adventures 2™—Montana's Movie Madness premieres 4 freaky films directed by that Bad Boy of the Box Office, Montana Max. And he's cast Buster Bunny as the villain! Buster must use new attack moves like the Fast Dash and Freeze Kick to defend his character. Buster's screen test includes action packed scenes in a classic western, a samurai saga, a sci-fi thriller, a creature feature and cool subgames. Ultimately, Buster takes on Max himself and tries to drop the curtain on his movie career.

KONAMI™

Sharpsville, Pa

FLAMINGO

In the lagoons of Mexico's Yucatan Peninsula the flamingo has a reddish color, but in Europe it is practically white. The food the flamingo eats determines what color it will be. Its legs and neck are longer than any other bird in comparison to its body, which makes the flamingo good for wading in water. They look for food by turning their beaks upside down and passing it through the water.

Vertebrates such as mollusks and crustaceans in the swamp water are

filtered by the screens at the edges of the flamingos curved back. The flamingo is able to rid itself of mud and sand with its tongue by using a pumping action.

Disney's *Beauty*
AND THE BEAST
Belle's Quest

BREAK THE SPELL

You'll need all of Belle's charm and wit to save her father, imprisoned by the hideous Beast. But to reach him you must first outsmart persistent Gaston. Then journey astride your faithful steed Phillippe, to a thick, black forest maze of wild animals and hidden traps to reach the enchanted castle on the other side. Search carefully for the castle's hidden secrets. Find them all to break the spell and return the Beast to his human form.
